## Why choose Norway?

- 1: Norway has one of the strongest economies in the world today with a strong currency.
- 2: Norway is the only country in Europe which has no sales tax or import tax on stamps.
- 3: Because of this, important floor bidders from the other Nordic countries, Russia, Germany, England, Holland, USA etc. attend every sale in addition to our strong Norwegian crowd, internet bidders and international telephone bidders.
- 4: Solidity - integrity and regularity for 38 years of public auctions.
